## JOB DESCRIPTION | IMS STAFF

### **JOB TITLE / CLASSIFICATION: IMS STAFF 1, Trainee & IMS STAFF 2, Experienced**

**JOB SUMMARY:** NTE provides Incident Management Support (IMS) to Cal Fire and other organizations that perform emergency response services. IMS staff provides administrative support services at incident specific locations. Employees are provided transportation to incidents or participate in the mobilization of related equipment as a means of transport. As a member of a 2-4 person Incident Management Support Team, individuals will perform a variety of clerical services similar to what is performed in an office and/or copy center setting. As directed by the IMS Supervisor, employees operate office equipment such as copiers, fax machine, plotters, and laminators, and may also perform computer operations like data entry, desktop publishing, and transferring of files via digital media or cloud based services. Employees exhibit a positive, client focused demeanor while performing assigned tasks in a timely and efficient manner. The ability to problem solve, stay positive under pressing circumstances, and to make cost effective choices while performing operations including the care and maintenance of company equipment are essential to one's success in this role. If you are ready to hit the ground running and welcome the opportunity to support men and women working the front lines of emergency incident response, we want to hear from you.

### **LOCATION:**

Variable as assigned.

### **WORK HOURS:**

Typically 12 hour (day or night) operational periods not to exceed 21 consecutive days or for duration of assigned project.

### **DESIGNATION:** Call-When-Needed; Non-exempt (Hourly).

The IMS Staff 1 candidate has no previous experience and is determined to be a Trainee.

The IMS Staff 2 candidate has at least one season of previous experience performed as IMS Staff 1.

### **Wage Rate:**

Begins at \$13.00 per/hr for the IMS Staff 1, Trainee

**DESCRIPTION OF WORK ENVIRONMENT:** Locations and amenities will vary based on the location of the job site. NTE provides a mobile office that establishes a base of operations within a greater work site setup by our client organizations. See attached IMS Staff Job Analysis Outline for further information.

**DESCRIPTION OF PHYSICAL REQUIREMENTS:** While the position is generally clerical, there is an aspect of light industrial tasks associated with setting up in remote locations. The ability to perform light lifting, climbing, and maneuvering or relocation of heavier objects is necessary for this role. See attached IMS Staff Job Analysis Outline for further details.

## ESSENTIAL FUNCTIONS:

- Performs duplication, lamination, light-advanced computer operations including some desktop publishing tasks like designing and printing flyers, brochures, handbooks, booklets, etc.
- Provides first rate customer service. Maintains a customer friendly / customer first approach in all contacts while on assignment.
- Assists with tactical mobilization and de-mobilization activities as directed by the IMS Supervisor.
- Integrity, the desire to perform and produce work of the highest quality, as well as the ability to problem solve in unpredictable situations is necessary for the success of anyone in this role.
- Other Duties as Assigned.

## REPORTING RELATIONSHIP:

- **General** - This employee is managed by the IMS Lead Supervisors between deployments.
- **Mobilization** - Once deployed to an incident, this employee reports to the IMS Supervisor on site or the ranking NTFI employee on site.
- **Technical** - This employee will report with technical issues and seek technical input during a deployment from the IMS Supervisor on site or the IMS Lead Supervisor on call.
- **Subordinates** – There are no subordinates reporting to IMS Staff 1 or IMS Staff 2.

## EDUCATION AND/OR EXPERIENCE:

### Required:

- A High School Diploma or GED.
- Knowledge of office machines, copiers, fax, printers, and computer operations.
- Microsoft Office (Word, Excel, PowerPoint, Publisher, Adobe Pro) proficiency including established skills and the ability to 'figure it out' as you go in a timely fashion.
- Intermediate (solid) skills with Adobe Acrobat Professional.
- Experience using advanced print settings via native software application, print driver software and/or direct from printer hardware to create optimal prints.
- Demonstrated ability to perform standard maintenance tasks for office equipment including cleaning, print calibrations, paper fills, removing paper jams and other similar tasks.
- Ability to stay calm in stressful situations with limited resources and use what you know (and the knowledge of others around you) to solve problems and deliver quality results to clients with timely execution.
- Clear understanding of, and ability to consistently demonstrate professional manner in behavior and verbal communications.

### Preferred:

- Experience with high-volume printing and graphic plotters desirable.
- Advanced knowledge of Microsoft Word, Excel, PowerPoint and Publisher.
- Advanced knowledge of Adobe Acrobat Professional.
- Some proficiency with Adobe Creative Suite would be a bonus.
